## Member of Ignite Business Network

Alan is an active and well-respected member of the Ignite Business Network within the Wicklow Chamber. He strongly believes in the power of networking, recognising that it goes far beyond simply exchanging business cards and expecting immediate results.

For Alan, effective networking is a long-term strategy built on genuine connections, mutual trust, and meaningful relationships. The Ignite Business Network shares this philosophy, encouraging business owners to engage more deeply—offering support, sharing advice, collaborating, and leveraging the unique services and connections each member brings to the group.

Ignite serves ambitious men and women of all nationalities and diversities, who are highly qualified, but who find it a challenge to network effectively, by teaching them networking skills in a cohort based community.

Ignite is a premium business network, led by a networking expert Jean Evans. Their aim is to bring members on a journey of individually tailored personal and business growth.

## Tallaght Training Centre

Alan is a tutor at Tallaght Training Centre, where he teaches the Social Media for Business evening course. With extensive experience in digital marketing, Alan believes that education is the cornerstone of knowledge. He understands that everyone learns differently—whether through lecture-based instruction or hands-on practice. His training programmes incorporate a balanced mix of both approaches, making his courses engaging, practical, and highly relevant to each learner's needs.

### The Social Media for Business course curriculum includes the following areas of study:

A programme is designed to equip learners with the essential knowledge, skills, and competencies in Digital Marketing and Social Media Marketing, with a strong focus on how these tools can enhance performance in the digital sector.

Whether you're looking to grow your own business or advance in your role as a digital marketer, the course offers practical and strategic insights into using digital platforms effectively. Through a hands-on approach, learners will explore the fundamentals of Digital Marketing, including key areas such as content creation, video and audio production, website development, email marketing, and the integration of AI technologies.

By the end of the programme, you will be empowered to develop and apply digital strategies that drive engagement, boost brand visibility, and deliver measurable results in a supervised professional setting or as part of your continued education and training journey.

## Testimonials

### Testimonials from colleagues, customers and clients Alan has trained

**Kami Huyse: CEO Zoetica Media and Smart Social Secrets**

*Alan is an accomplished speaker who is highly skilled in all things social media. I hired him as a speaker for my online course students to teach LinkedIn and he over-delivered with extra resources and guidance. He is an asset for any coveted or training opportunity*

**Linda Breathnach: Mental Health and Wellbeing Training**

*Alan has done some one to one sessions with Karen, my executive assistant. These sessions were recorded so I can look back on them myself and there were loads of really useful tips that were easy enough for us to understand and apply. Alan is very knowledgeable, down to earth, friendly and approachable. Whether you are an established multi-national or a smaller SME like us, Alan is your man for guiding you with your social media - I look forward to doing more work with him in the future!*

**Ted Rubin: Social Marketing Strategist, Photofy CMO/Advisor,**

*I met Alan at Social Media Summit Ireland 2016 and was delighted to find him as engaging in person as he is on social platforms. Here is a guy who totally gets Return on Relationship and looking people in the eye digitally.*

**Emmet Baldwin: Grocery Key Account Manager at United Drug Ireland**

*Alan is a detailed and well organised professional. During our business relationship he has guided and trusted me in developing new areas within the business. His work ethic and dedication to his business is second to none.*

**Russ Hedge: Marketing Coach, Keynote Speaker, Author**

*Alan is an incredible resource and a wealth of knowledge! He has helped and guided me on several projects as well as been a guest on my live shows and podcast. He is a great friend and I highly recommend him!*

## Testimonials

### Testimonials from colleagues, customers and clients Alan has trained

---

#### ***Charley Swords - Leadership Mentor and Business Consultancy***

*I have worked with Alan over the past few months and find the depth of his knowledge, particularly regarding LinkedIn, fantastic. His genuine interest in and support of his clients in all things digital is phenomenal. Alan is someone you can trust to get behind the business owner to understand where they are coming from and most importantly, what direction they are heading in, and then he 'does his magic' to ensure you get there. I highly recommend Alan for all things digital.*

---

#### ***Leanne Mooney - Enterprise Engagement Officer - DDLETB***

*I had the pleasure of recently completing Alan Hennessy's Social Media for Business course at Tallaght Training Centre, and I cannot recommend him highly enough.*

*As a learner, I found Alan to be an incredibly engaging and knowledgeable trainer. His ability to break down complex digital marketing concepts into clear, actionable steps made the learning process both accessible and enjoyable. He doesn't just teach social media, he empowers you to use it strategically and with confidence. The course was packed with relevant, examples and up-to-date techniques that I've already begun to apply in my own role.*

*From my role in Enterprise Engagement at Tallaght Training Centre, I also saw first-hand how Alan's professionalism and passion for digital marketing positively impacted all the participants. His sessions were always dynamic, practical, and tailored to the needs of small business owners, entrepreneurs, and professionals alike. The feedback from our learners has been overwhelmingly positive, and it's clear that Alan's mentorship delivers real value.*

*Alan brings a wealth of experience and energy to every interaction. His commitment to helping others build their brand and online presence is evident in everything he does, from his course content to his one-on-one support. If you're looking to grow your digital footprint or upskill in digital marketing, Alan is the mentor you want in your corner.*

---

#### ***Melissa Carroll - Customs Agent & Business Leadership***

*Alan provides exceptional strategic advice on all social media and digital matters. His insights are always actionable, driving significant engagement and growth. He is without a doubt a truly responsive, dedicated, and knowledgeable professional who I have been lucky enough to engage with. His services have been an absolute game-changer for my digital presence.*
